**Activity # - 26**

<b>Game Title:</b>	Bob the Builder - Numbers	<b>Game Theme:</b>	Shapes and Colors
<b>Learning Outcome(s):</b>	Balance, running and changes of direction		

**Organization:**

1. 20 x 20 yard area with 5 x 5 yard area set up as shown
2. 1 ball per player
3. 18 cards of Bob and Friends
4. 1x set of numbers 1-9
5. 4x sets disc cones of 12 cones (different colors)

**Story/Description:**

1. Bob and Friends must find all the numbers under the building blocks before construction can take place!
2. Bob (Coach) and his friends (Players) have a big construction job to complete
3. All players sit on soccer balls at the side of the construction area (coaching area)
4. Taking turns each player runs to the middle and brings one learning card back to Bob and friends
5. Players identify which friend it is and how many pictures of that friend are on the card
6. All players then proceed to find the number that matches the pictures on that card
7. Players then return to the construction area before repeating

**Coaching Points:**

1. Don't forget to wear your hard hat (cone) and safety vest (pinnie)!
2. Drive your truck really quickly (run)
3. Keep your head up

**Developments:**

1. Introduce Bob the Builders truck (ball)
2. Players can only check under cones using their feet
3. Ask them to find the number without showing them what it looks like
