

Curriculum – First Kick

Activity # - 5

Game Title:	Go Diego Go!	Game Theme:	Animals and Numbers
Learning Outcome(s):	Speed, balance and coordination		

Organization:

1. 20 x 20 yard area
2. 4x pugg goals on each side of the area
3. Disc Cones
4. Animal Cards

Story/Description:

1. Diego (players) loves to save and protect animals
2. Diego's job today is to find and save as many animals as possible as they all got lost in central park
3. Birds can be found hiding in the trees (tall cones), fish can be found hiding in ponds (blue pinnies) and other animals could be anywhere (under cones)!
4. When Diego finds an animal they must place them in their animal friendly net (yellow pinnie) and then bring them back home to feed them (pugg goals)

Coaching Points:

1. Your net can only hold one animal at a time so make sure to run home to drop the animal off before heading back out
2. Work quickly as you have to get home before the sun goes down (1 min limit)
3. When the sun rises again out we go again!

Developments:

1. Ask Diego to find specific animal – can you find two birds?
2. Diego must now drive a Jeep (ball) around the park
